I have described our welcome victory over Bristol City at the weekend as an oasis in a desert. What I have got to stress again tonight is that we are still not in a position to enjoy the water. We worked hard on Saturday but there is a lot of hard work still to be done.

We have got to see off the challenge from Huddersfield tonight or we face the pros-

pect of having to secure things away from home at Swansea on Saturday—and it goes without saying that we want to do it in front of our home fans. I don't want to leave thousands of you nervously listening to events on the end of a radio.

But we can take heart today from having turned in a very solid performance against Bristol City. We had to compete with one of the most consistent teams around and I believe we deserved the three points.

They were long overdue, I know, and I can understand the anxiety you were all feeling. I hope all that's behind us now and that we can look forward to extending our season by a couple of weeks. I don't suppose anyone will grumble about that.

It's completely in our own hands of course but, as I said throughout that period when we weren't picking up the points, we have something to look forward to if we stand together—players, management, directors and supporters.

We have shown how we can affect things with that pulling together, so let's hope it continues and gives us something to really celebrate next month.

WIRRAL PROGRAMME CLUB • 19th PROGRAMME OF THE YEAR SURVEY 1989-1990

As in previous seasons a survey has been carried out of this seasons programmes. Votes were NOT cast for ones favourite programme but marks were awarded on the following sections:- Cover design and details, Size (page size), Team layout and position within the programme, Contents (included were results, league tables, recent match details, letters, supporters news, pictures, historical article, competition, etc.), Price, Printing quality and paper used, Value for money. In the latter section the ratio of adverts to articles, the clubs division, size of crowds etc. were taken into consideration. The survey marks were totalled and divided by the number of those doing the survey to reach the final total. Standards are still very high and a few marks either way would have altered many clubs positions. Some clubs have in the course of the season altered the style and/or contents of their programme, changed the price etc. We can only survey those programmes that we receive. I should like to thank all the clubs, their supporters and our own members who sent in programmes for the survey.

I look forward to seeing all clubs represented in our survey again next season, the closing date for entries being January 31st 1991, but before then we have the survey for special programmes issued this season, this includes big cup ties, testimonials, friendlies etc. The closing date for receiving these entries is May 31st 1990.

The overall winner for this seasons survey is the programme of AFC BOURNEMOUTH.

PLAYER PROFILE

MARK WINSTANLEY
Will he retain the Player of the Year award for this season?

Tomorrow night is the Development Player of the Year awards and in the programme tonight we take a look at the leading contenders.

DAVE FELGATE—A previous winner who has had another consistent season in between the posts for the Wanderers after early season illness forced him to miss six games. He was particularly outstanding in the win over League leaders Bristol City on Saturday.

PHIL BROWN—Ever present this season, he had proved what a bargain buy he was when he joined the club from Halifax two seasons ago for £17,000. His leadership on the field and organisation skills make him one of the most respected professionals in the game.

BARRY COWDRILL—Big favourite with the Burnden terrace supporters, the likeable Brummie loves to make runs from deep in defence and could well be leading contender in the season's awards.

DEAN

CROMBIE—Mr. Cool in the Wanderers set up, currently out of the team but he has had a fine season and will be well supported in the voting.

MARK CAME—One of the crowd's favourites returning to action this season after more than twelve months out of action with injury, nobody could forget the late

equaliser he scored at Swindon in his first match back.

MARK WINSTANLEY—Current holder of the award and aiming to retain it, he has had another outstanding season drawing interest from a number of big clubs.

STUART STORER—The flying winger has had his most successful season with the club to date, he has the pace to destroy any oppositions defences.

STEVE THOMPSON—The Wanderers play-maker who continues to enhance his reputation with his play. Already voted into the 'Third Division' team by his fellow professionals, Steve could well be one of the favourites to win this season's Player of the Year.

DAVID REEVES—Will be looking to make it a double after being voted Junior Whites Player of the Year. The popular Birkenhead lad could well have a lot of support for his non stop work rate.

TONY PHILLISKIRK—Leading scorer and a leading contender in this years awards, he has already repaid his faith in Phill Neal's judgement and he has made himself a firm favourite with the Wanderers supporters.

JULIAN DARBY—The ball winner in the Wanderers midfield who chips in with a good tally of goals. The Bolton born player has firmly established himself as a player with a tremendous future in the game.

PAUL COMSTIVE—Hard tackling midfield player who has done well at the club since joining us in September from Burnley.

HUDDERSFIELD TOWN

This evening we extend a warm welcome to the players, officials and supporters of Huddersfield Town who have made the short journey over the Pennines. Huddersfield's 0-1 defeat at Northampton Town last Saturday finally ended their play-off hopes and so the Terriers' season will now come to a close after next Saturday's home game with Chester City.

At the time of the original fixture, scheduled for 13th February but postponed due to a waterlogged pitch, Huddersfield's form was very impressive. They had won six and drawn two of their last nine games and it seemed certain they would be in the top six at the season's end.

Inexplicably their season fell apart, with a run of five successive defeats in late February and early March and since then Huddersfield's form has been in and out. Huddersfield won 5-1 at Cardiff with Craig Maskell scoring four goals but then lost 0-1 at home to Reading. A 2-1 win at Wigan was then followed by successive home defeats by Birmingham and Preston. The Terriers' home form has been most unimpressive and their 2-1 win over Rotherham ten days ago was their first at Leeds Road for eight games.

Huddersfield, whose five year stay in the Second Division was ended by relegation in 1988, finished in mid table last season. It was very much a rebuilding job for new manager Eoin Hand, the former Eire boss. Hand will be looking to maintain the overall progress made this term with a concerted push for promotion next season.

Away from home this season, Huddersfield have won six times, at Walsall (3-2), Birmingham (1-0), Mansfield (2-1), Swansea (3-1), Cardiff (5-1) and Wigan (2-1) and have drawn at Preston, Fulham, Reading, Bristol Rovers, Rotherham, Blackpool, Shrewsbury and Bristol City. The side have also earned a reputation for scoring late in the game, turning defeats into draws or

one point into three.

In Cup competitions Huddersfield lost on the away goals rule in the Littlewoods Cup against Notts Forest in the second round. Forest of course went on to win the Cup, and so Crystal Palace, fourth round conquerors of Huddersfield in the FA Cup, will be hoping this is a lucky omen as they look forward to the FA Cup Final against Manchester United. In the Leyland DAF Huddersfield lost at Rotherham in the first round.

Adrian Boothroyd is a teenage defender who came up through the club's trainee ranks and made his League debut at Cardiff in March. Everpresent full back or midfielder **Chris Hutchings** is the Town captain. The 32 year old played formerly for Chelsea and Brighton and recently made his 100th League appearance for the club. 22 year old defender **Graham Mitchell**, another Town centurian this season, came up through the ranks at Leeds Road and has been a regular for the last two years. Another 22 year old, defender **Andrew Duggan**, joined Town from Barnsley in September 1988 and has earned a regular first team run in the last couple of months.

Andy May made a crucial contribution to the Wanderers' 4th Division promotion campaign in 1988, when he played in the final ten games including the 1-0 win at Wrexham on the final day of season, during a loan spell from Huddersfield. Last season the former Manchester City player re-established himself at Leeds Road and the 26 year old Bury born midfielder has again figured prominently this season. 21 year old **Chris Marsden** joined Huddersfield from his hometown club Sheffield United in the summer of 1988. midfielder **John Kelly** came to Leeds Road around the signing deadline time and made his debut at Wigan on 24th March. The 29 year old Bebbington born Kelly played previously for Tranmere, Preston, Chester, Swindon, Oldham and Walsall. **Kieran O'Regan**, Huddersfield's scorer in the game against the Wanderers at Leeds Road in September, is a 26 year old Cork born midfielder formerly with Brighton and Swindon, now in his second season with the club.

Mick Byrne, a 30 year old Dublin born forward, joined Huddersfield from Shamrock Rovers before the start of last season. Leading scorer **Craig Maskell**, with 19 goals so far this season in League and cup, made a fairytale start to his Huddersfield career last season with 28 goals in 46 League games. The 22 year old Aldershot born striker was signed from Southampton and relished the opportunity of regular first team football. 28 year old forward **Mark Smith** joined Huddersfield from Rochdale last season and has been a first team regular ever since. Smith joined Rochdale from Conference side Kettering in 1988 after previous spells in the League with hometown

Sheffield United and Scunthorpe United, where he made a solitary League appearance. **Keith Edwards** is currently on loan from Stockport County and needs little introduction. The 32 year old Stockton born striker has been a regular scorer throughout his distinguished career spent with Sheffield United (two spells), Hull City (two spells), Leeds United and Aberdeen and with 247 League goals currently the highest career goalscorer still playing in the Football League. Assistant Manager **Peter Withe**, whose brother Chris plays for Bury, is best remembered for his spells at Notts Forest, Newcastle United, Aston Villa and Sheffield United, though he actually played League football for two clubs no longer in the League, Southport and Barrow at the start of his career and has also turned out for Wolves and Birmingham City. The 38 year old Liverpool born striker, with 159 career League goals, returned to first team action recently.

MATCH REPORT

Over 11,000 spectators turned up at Burnden to witness this clash with table toppers **BRISTOL CITY**. Wanderers were aiming to put an end to their run of only two victories in the previous thirteen games and this was an encounter they really had to win to keep ahead of **BIRMINGHAM** in the race for a top six play-off spot.

Phil Neal included £50,000 signing Scott Green playing a left sided attacking role for only his second League appearance. The Bristol outfit would have been happy to collect one point from the game but Green had other ideas. He collected a lay-off ball from Philliskirk in the 32nd minute and began his

diagonal run at the opposition defence. Quick thinking Barry Cowdrill sprinted on the overlap to give young Green another option but he carried on to the edge of the penalty area before releasing a right footed gently curving shot that left Sinclair in the City goal helpless. The shirt-sleeved Burnden faithfuls went wild with delight and Wanderers were on their way to victory. Bristol were well organised at the back catching the Wanderers attackers in their offside trap on several occasions and their leading scorer Bob Taylor was for once kept quiet and eventually limped from the field of play in the second half. Former Wanderer Mark Gavin tried so hard to prise open Wanderers defence but Barry Cowdrill came out top man on this occasion.

Seventh placed **BIRMINGHAM**, just one point behind Bolton in the League travelled to Leyton and everyone was satisfied upon hearing the Midlands were trailing 1-0 at half time. But two second half strikes wrapped up three points so Scott Green's effort was priceless.

Brum have just one game

left at **READING** today and hopefully this encounter will be irrelevant. It will be a difficult encounter at Elm Park as guaranteed play-off candidates **BURY** found out last weekend when they went down 1-0.

CHAMPIONS

LIVERPOOL proved to be the best team in the Barclays League after winning their 18th Championship over **Q.P.R.** at Anfield last weekend. Second placed **ASTON VILLA** had tossed away a 3-1 margin against **NORWICH** and the visitors earned a 3-3 draw at Villa Park.

The **SECOND DIVISION** has yet to be decided. It's a two horse race between leaders **LEEDS** and **SHEFFIELD UNITED** with **NEWCASTLE** lying handy should there be a slip.

THE PLAY-OFF'S

If Wanderers produce the goods it could be another trip down to Wembley as the mecca of soccer is the venue chosen to determine the eventual promotion certainties. Could it be a Bolton v Bury final play off? Phil Neal has seen all this before and will be taking each game as it comes.

THE CARING FACE OF FOOTBALL

Strenuous efforts are being made to provide modern facilities for the safety and comfort of all football spectators.

During 1989, more than £1.25 million will be spent on improvements projects at Football League grounds and areas for people with disabilities form a major part of this programme. This season will see further initiatives including new and better toilet facilities, additional enclosures for family support and the provision of seating within existing accommodation.

The Football Grounds Improvement Trust is responsible for all these measures. Each year it receives half of the £9.5 million donated by Littlewoods, Vernons and Zetters from their Spotting-the-Ball competition and spends it on schemes to improve standards at British football stadia.

ROGER HUNT
Scorer at Oxford on this day in 1971.

1920—The Wanderers wound up the season with a 2-1 home success over Middlesbrough. Frank Roberts and Billy Herbert got the goals which placed the club sixth in Division One. For Roberts it was his seventh consecutive game in which he found the net which took his total for the season to 26 and the mantle of the clubs leading scorer.

1926—After winning the FA Cup a week earlier against Manchester City, a return to League football was something of an anti-climax for Bolton who went down 2-0 to Everton at Burnden.

1929—A 4-3 win at Bury was enough to send the Shakers into the Second Division. Jim McClelland hit two goals with the others coming from George Gibson and Ted Vizard. This was the last occasion that the Wanderers have taken maximum league points from a visit to Gigg Lane.

1935—A crowd of 46,554 were at Burnden to see the Wanderers defeat Second Division champions Brentford. Goals from G.T. Taylor and Jack Milsom left the Wanderers requiring one point from their final game, three days later away at Blackpool, to accompany Brentford into Division One.

1963—Bolton went down to their second defeat in London within a week. Fulham ran out 2-1 winners at Craven Cottage, Peter Deakin finding the net for the Wanderers, this following a 4-1 reverse at Tottenham where Deakin also was the scorer.

1971—The Second Division campaign wound up with the Wanderers marooned at the bottom of the league and without a win since January after a 1-1 draw at Oxford United. Roger Hunt found the net for the Wanderers and it was he who led the Clubs scoring with 8 goals.

1979—Although Bolton had got themselves clear from the relegation area they had no answer to a polished Liverpool performance at Burnden. A Graeme Souness own goal was the Wanderers only consolation as they went down 4-1.

1982—Bolton crashed to a 7-1 defeat at Queens Park Rangers where Tony Henry's penalty conversion was the only comfort for the visiting supporters.

1989—Huddersfield were defeated 3-1 at Burnden with Jeff Chandler, Trevor Morgan and John Thomas scoring the Bolton goals.

**"Tonight — the
opportunity to secure
a play-off place"**

The atmosphere was great, the result was what we needed and young Scott Green's goal was brilliant! What more need you say? The fact that Bristol fetched more than 4,000 fans only served to raise our performance even more and with Dave Felgate in unbeatable form, making a number of important saves before Scott's individual effort secured us a vital three points.

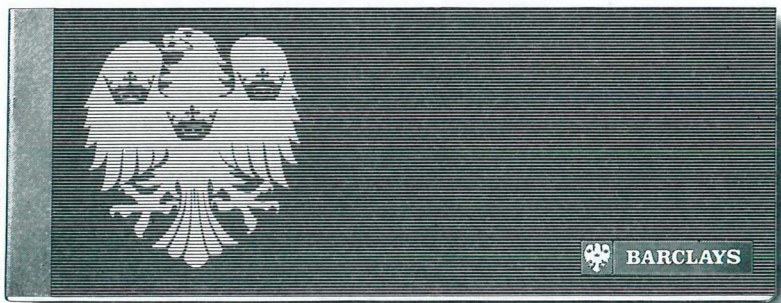

Tonight therefore gives us the opportunity to secure a play-off place and extend our season. Ironically our opponents Huddersfield looked at least play-off material for a long time this season until explicity they hit a bad period from which they never really recovered, although recently against top rivals Bristol City and Rotherham they had good results.

Watching the Littlewoods Cup Final on Sunday it was a shame that Oldham, after playing so well, went home empty handed. They really did themselves proud and if it is any consolation I suppose the coffers at Boundary Park should be very healthy indeed. In fact a sum of 2 million pounds has been mentioned from the total spin-offs from the club's great cup runs this season.

As this is the final home League game of the season, and after producing over thirty programmes this campaign I would just like to thank the individuals who make this all possible. From the Bolton Evening news as always we have had plenty help and assistance from chief soccer writer Gordon Sharrocks as well as splendid action shots from regular photographers Martin Birchall and Richard Rollon. Simon Marland as usual has provided the historical and reserve articles as well as producing the superb 'A Complete History of Bolton Wanderers'—a book which is a must for all Wanderers fans. This season we have also had assistance from a lifelong Wanderers supporter in the shape of Michael Latham—a Burnden terrace regular who has done a fine job in supplying articles on the visiting club each game.

The programme itself this season seems to have gone down well with the fans, certainly the sales reflect this, but as always we will be looking for a few new ideas for next season. So if you have any thoughts or views please drop the editor a line at the Club and you never know, we might just use it come next August.

Bolton Wanderers . . . 1
Rotherham United . . . 3

Promotion chasing Rotherham United proved too strong in front of goal for the Wanderers whose own opportunities fell mainly at the feet of Ian Stevens.

Bobby Williamson put United in front after 15 minutes when he latched onto a through pass to put him clear and he made no mistake from the edge of the area.

The Wanderers were again caught out in the 28th minute when a quickly taken free kick on the right by Mark Dempsey found Williamson who scored with a first time shot.

Bolton had the best of their chances during the second half with a low shot from Mike Jeffrey being turned away by the keeper and Nicky Spooner shooting narrowly wide from long range.

Ian Stevens got into a one on one situation with the United 'keeper but hesitated which allowed the defence to pressure him into shooting wide of the target.

Simon Thompson put United three up in the 73rd minute after he had been left unmarked at the far post.

Nine minutes from time Ian Stevens again got clear of the United defence but saw his shot turned round

the post. From the resulting left wing corner Alan Stubbs back headed the ball into the goalmouth where Mike Jeffrey forced the ball home.

A Tribute to Freddie Hill

When Freddie Hill's Testimonial Year was launched last week in the form of a Sportsman's Dinner at the Last Drop Village in Bromley Cross, it was an incredible and surely unrepeatable response from so many of the celebrities who were in the 200 plus audience. WILF MCGUINNESS, a former Busby babe and later to become Manchester United manager took up the role as Master of Ceremonies for the occasion and did a really fantastic job. He was seated alongside the host on the top table and brought laughter from the guests when he said "In the many times I've played against Fred, this is the closest I've got to him."

Committee Chairman FRANCIS LEE paid his own tribute to Fred and donated one of his personal international caps, against Portugal, to a grand fund raising auction. Professional Footballers Association secretary GORDON TAYLOR spoke of his early happy days at Burnden Park and told stories about how Alan Ball was rejected because he was too small amongst many other interesting tales.

1958 Cup Final hero's big JOHN HIGGINS and EDDIE HOPKINSON sat side by side on the top table. John of course is now General Manager at promotion chasing Stockport County whilst Eddie runs his own Wines and Spirits store at his native Royton.

RALPH GUBBINS who scored two important semi final goals to put Wanderers into that Final flanked his former keeper.

Ralph has been involved with newspaper distribution for many years since finish-

ing as a professional footballer.

ALAN BALL rose to his feet to admit what a difficult job he has on hand in trying to rebuild a Stoke City side capable of winning promotion next term but spoke of the encouragement he received from his family in his early days. It was Alan's late father who persuaded Fred Hill to join him at Halifax during his spell as manager at The Shay.

Manchester City director FREDDIE PYE and scout KEN BARNES were in attendance with the former rising to his feet for ten minutes of laughter involving life at Maine Road.

Testimonial winger MIKE SUMMERBEE told many soccer stories from a colourful career. Mike is remembered as being a crowd pleaser and he certainly entertained the interested audience. He told one funny story about the manager who was sacked in the 1963 Winter freeze up as a result of the Pools Panel predicting six losses on the trot. Mike Summerbee is still involved in clothing and manufactures really fine shirts.

Local snooker player TONY KNOWLES gave up his valuable time to salute Fred Hill as did Fred's former manager MALCOLM ALLISON. Malcolm spoke of his early days as a raw youngster which led to his transfer to West Ham. Claiming that the manager never spoke to him for six seasons—on the one day that he did—was given a blunt reply and the following day Allison was on his way to Upton Park. No one worked harder on the night than Wilf McGuinness who is about to commence on his own testimonial following 10 years at Bury. There will be future events to aid Fred's Testimonial Year—don't miss the next.

RECOLLECTIONS

**"Will be looking
to keep up their
impressive home
run"**

*Photo: John Thomas hits
Bolton's third against
Huddersfield last season.*

The Wanderers face Huddersfield Town for the 70th time in the Football League today and will be looking to keep up their impressive home run against the Yorkshire side, which has seen just one defeat in the last twelve encounters, going back to 1950 and covering the top three divisions.

Huddersfield's only success during this period came in October 1968 when they registered a 3-2 score for their first away win of the season.

Jimmy Lawson gave Town a first half advantage which was equalised early in the second period by a Terry Wharton penalty. A minute later Colin Dobson restored the visitors lead but Fred Hill headed home a 69th minute equaliser for Bolton. Four minutes from time Steve Smith, later to appear in a loan spell for the Wanderers, collected a poor back pass from Syd Farimond to hit home Town's winner.

The Wanderers League record at Leeds Road in recent

history has also been poor. Since a 2-0 win in March 1952, with goals from Willie Moir and Nat Lofthouse, only once have maximum points been brought back over the Pennines.

That was last season when a goal from Trevor Morgan was enough to end the barren run.

Huddersfield's first visit to Bumden Park was in December 1910 for a Second Division encounter. The Wanderers, who were chasing promotion, ran out 3-1 winners thanks to a hat trick from Billy Hughes.

Their next seven visits all ended in defeat which included a 6-1 scoreline in December 1925. The Smith's, Joe and John, hit two a piece for Bolton, whose other scorers were David Jack and Billy Butler, only Ted Vizard from the forward line failing to find the net.

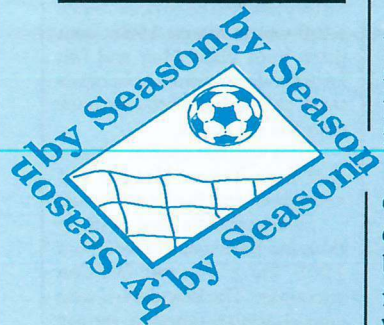

Town recorded their first win on the ground in February 1928 but suffered again in January 1930 when Bolton ran out 7-1 winners. Billy Butler hit a hat trick in that game, Harold Blackmore struck twice, the others coming from George Gibson and Willie Cook.

Last season's encounter saw the Wanderers come out 3-1 winners, Jeff Chandler, Trevor Morgan and John Thomas scoring for Bolton whilst Town's goal came from a Craig Maskell penalty.

Earlier this term the teams shared the spoils in a 1-1 draw at Leeds Road.

Our overall record against Huddersfield is as follows:-

	P	W	D	L	F	A
Home	34	21	6	7	72	36
Away	35	7	7	21	27	47
Total	69	28	13	28	99	83

Only one defeat in the opening 13 games saw a much settled team produce some entertaining football.

The day that had been dreamt for for 4 years came on 16th November when peace time football returned with the Wanderers defeating Southport Vulcan 3-2 at

Burnden. Joe Thomas of the Guards had the honour of being the first Wanderer to return from the War to take his place in the team.

By the end of November rumour was rife that both Joe Smith and Ted Vizard would be in the colours of Chelsea, for whom they had been

FINAL LEAGUE POSITION: 4th in Lancashire Section Principal Competition, 2nd in Supplementary Competition.

Matches 5, 6, 32, 33, 35 & 36 were in the Lancashire Section Supplementary Competition

guesting, when League football returned to normal. This was immediately quashed by the Wanderers who declared they were on the look out for players and in fact were later fined £25 by the League for an illegal approach to Bury centre forward Lythgoe.

Centre forward was a problem position for the Wanderers and by the end of the year 12 different players had been tried.

As the season wore on the crowds started to return, 5271 saw Preston inflict Bolton's first home defeat of the season during January. A month later 10,991 saw the return of Vizard,

Hilton and Roberts to the forward line in a 3-2 win over Rochdale.

On February 22nd, the directors placed the management of the team until the end of the season in the hands of Ted Vizard. 26,000 were at Burnden for his first home game in the position when Everton won 6-3. On the same day, the reserves returned to competitive football by entering the Liverpool section of the Lancashire combination, taking over from Ashton Hospital.

The season was completed in style with seven wins and only one defeat in the final eight games. This left the club in 4th position of the Lancashire section and they were ousted out on the County Cup on goal average after six games.

The club also supplied players for the England v Scotland International played at Goodison Park in April with Joe Smith and Alec Donaldson representing the whites and blues respectively.

Programme SPOT

**28th October, 1952.
First Division**

**Huddersfield Town . 0
(Kellard/pen, Sharpe)**

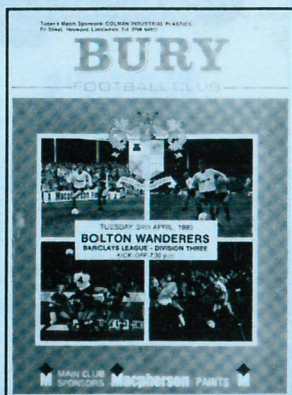

**Bolton Wanderers . . 4
(Howe/pen, Moir,
Lofthouse, Wheeler)**

Bury produced a standard 32 page programme for our visit last Tuesday night. Priced at 70p it was designed and printed by Chester IV Graphics who also produce the Chester and Tranmere programmes.

Highlights of this A5 size production were 'Scrap-book', an interesting historical feature of Shakers games on this particular date through the years, whilst 'Profile' reminded us of Wanderers old boy Simon Farnworth who is currently out of favour at Gigg Lane. The feature on the Wanderers was quite good whilst a game from the past was featured in 'Classic Encounters'.

The programme overall was reasonable value for 70p compared to the rest in the Third Division with quite a number of good articles, it surely must be difficult to keep expenses down whilst producing a good programme on average gates of less than 3,500.
